Subject: Bonded Area, Quality Building Stone, Torrey Buff, S/055/0022, Wayne County, Utah

Dear Ms. Miller:

In a letter dated May 9, 2016, the Division of Oil, Gas and Mining requested information about the bonded area for the Torrey Buff mine, including roads. The Bureau of Land Management is now requiring that roads totaling 0.89 acres be included as part of the disturbed area. Please include these areas as part of the disturbed area in the Notice of Intention to Commence Small Mining Operations (NOI) which should be submitted by June 24, 2016.

Please call Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions this matter.

Sincerely,

Paul Baker  
Minerals Program Manager
